If you would like to send Amanda a photo of the pet you plan to paint, she can let you know which colors

Palette to be able to mix your paints with (paper plates is also a good alternative!)

Brushes: Any type of brand designed for acrylic paint - synthetic brush sets, including round, liner, flat, and filbert brushes (ranging from small for finer details, and a bit larger to cover bigger spaces)

A container for washing brushes (yogurt container, tomato can, etc.)

Paper towels, for cleaning brushes.

HB Pencil or a #2 Pencil, eraser, & 12 inch ruler

Photo Reference: Printed photo of the one pet you are painting on an 8"x11" paper (common printer paper at home). The photo should have the pet up close, in focus, and be brightly lit. If you would like to share the photo with Amanda ahead of time to see if it would be appropriate to paint from, please feel free email Amanda at (AmandaMendozaArt@gmail.com). If you have an issue printing at home, let her know.

Optional: Lightweight table easel (there are some larger easels available in the classroom if you'd prefer.)

Please come prepared with all materials provided in this list. Please contact Amanda ahead of time if you need assistance or you are having trouble finding materials. She will do her best to accommodate you.
